## THE CATBOAT ASSOCIATION STORY

The Catboat Association was founded August 18, 1962 with the objectives of promoting interest in catboats, exchanging information via a bulletin, sponsoring cruising catboat races, and conducting an annual meeting.

The bulletins provide a means of exchanging information on Association activities as well as on catboats. Details of the catboat races are given in the spring bulletin.

The annual (and only) meeting of The Catboat Association will be held the first weekend in February 1986 at the Sheraton on Goat Island, Newport RI.

Membership is open to all owners of catboats: cruising, decked or open cockpit, and to all enthusiasts. The initiation fee is \$35 which includes annual dues up to December 31 of the year in which initiation takes place. Annual dues are \$10 for the calendar year and are payable on January 1 of each year. Current Association membership is more than 1400.

Initially, the Catboat Association, as the late John Killam Murphy once remarked, was a benevolent despotism. It had no charter, constitution, or by-laws. Now, however, the association is incorporated as a non-profit organization in the state of Massachusetts with by-laws to govern it and elections held annually.

At the beginning of the Catboat Association, formative leadership was provided by John M. Leavens and Paul Birdsall (MOLLIE B.) as Co-Secretaries, and Mollie Birdsall (MOLLIE B.) as Treasurer. Policy is now decided by a Steering Committee chaired by Benjamin B. Brewster (FELIX). It meets three times a year to collate the bulletin and discuss and advise on such policy questions as may arise.

John Leavens is our Founder Number One and Editor-Emeritus. Doris Johnson (MOMCAT) is editor of the bulletin and is assisted in this task by Associate Editors Peter T. Vermilya and John P. Brewer (SALT). All correspondence, including inquiries about joining the Catboat Association and "items for sale," are handled by Corresponding Secretary T. Cort Schuyler (GINGER). Back issues of the bulletin along with other publication items are handled by David A. Pearson (ANDANTE CANTABILE). Technical Advisor Oscar C. Pease (VANITY) has extensive knowledge and experience with catboats. Treasurer and Membership Secretary Lynda C. Cassidy (CIMBA) handles members' dues, keeps track of the money, pays the bills, maintains the membership roster, and prints this book.

## THE JOHN KILLAM MURPHY AWARD

The late John Killam Murphy sailed cats from age one to age 88 and owned five of them in his lifetime. The John Killam Murphy Award was established in his honor by his friends on the occasion of his 90th birthday, March 21, 1965. The award consists of a half-hull model of Tabby, his fourth cat, designed by Fenwick C. Williams in 1948 and built by Seth Persson. The model was made by Don Rosen-crantz of Essex, Conn., one of the country's foremost model builders. The award bears the inscription:

“John Killam Murphy Award”

“Established on his 90th birthday, March 21, 1965, and awarded for the advancement of the principles and the perpetuation of the traditions of sail as exemplified by The Catboat Association”

The presumption is that this award will be an annual award but there are no restrictions on it being more than once a year or less than once a year. It is intended that the basis for the award should be broadly construed. It should be something that preserves the tradition of sail in catboats or advances the use of catboats in some new form or makes use of catboats in some novel or unusual way. By way of illustration, and not limitation, the award could be given for design of a new catboat or the rebuilding of an old classic catboat. It could also be awarded for an event such as an outstanding cruise in a catboat or the use of a catboat under hazardous conditions for rescue purposes. The award is intended to be to an individual or individuals, for their personal contribution. In any case, the decision of what shall be considered an outstanding contribution is made by a panel of three judges appointed each year by the Secretaries of The Catboat Association. The judges' decision shall be final. Members of the Association may nominate candidates for the award. The nomination must be in writing addressed to the judges and must specify the basis thereof. The selection is to be made from among those candidates nominated.

## THE DOLPHIN AWARD

The newly created award, The Dolphin Award, was presented for the first time at the 1975 Annual Meeting of the Association at the Mystic Seaport. Basis of the presentation is for exceptional service to the Catboat Association.

It is called the Dolphin Award after the last catboat owned by the late John Killam Murphy, and was established after the Steering Committee decided that there should be an equal and parallel award to the annual JKM Award.

Distinguished model builder, Don Rosencrantz of Essex, Conn., is the maker of the new award, a half-hull model of Dolphin, a 21 '5" Wilton Crosby catboat built in 1917.

Selection of the recipient of the Dolphin Award is made by members of the Awards Committee.

## THE BROAD AXE AWARD

A new award, the Broad Axe Award, was established in the fall of 1976 to recognize "significant achievement in catboat construction." "Construction" is intended to be broadly construed to include restoration of an old cat and finishing a prefab catboat hull as well as building a new cat.

The award consists of a broad axe, suitably mounted, that belonged to catboat builders Charles C. Hanley (1886-1936) and Merton E. Long (1936-1976). It is the gift of John and Pinkie Leavens.

Presentation is made at the Annual Meeting by the Awards Committee.
