## THE CATBOAT ASSOCIATION STORY

The Catboat Association was founded August, 18, 1962 with the objectives of promoting interest in catboats, exchanging information via a bulletin, sponsoring cruising catboat races, and conducting an annual meeting.

The bulletins provide a means of exchanging information on Association activities as well as on catboats. Details of the catboat races are given in the spring bulletin.

The annual (and only) meeting of The Catboat Association will be held the last weekend in January 1990 at the Sheraton on Goat Island, Newport, RI.

Membership is open to all owners of catboats: cruising, decked or open cockpit, and to all enthusiasts. The initiation fee is \$35 which includes annual dues up to December 31 of the year in which initiation takes place. Annual dues are \$10 for the calendar year and are payable on January 1 of each year. Current Association membership is more than 1450.

Initially, the Catboat Association, as the late John Killam Murphy once remarked, was a benevolent despotism. It had no charter, constitution, or by-laws. Now, however, the association is incorporated as a non-profit organization in the state of Massachusetts with by-laws to govern it and elections held annually.

At the beginning of the Catboat Association, formative leadership was provided by John M. Leavens and Paul Birdsall (MOLLIE B.) as Co-Secretaries, and Mollie Birdsall (MOLLIE B.) as Treasurer. A Steering Committee was established in 1971 with Lee Brown (TOBER-MORY) as its Chairman, followed by Ben Brewster (FELIX) who provided leadership and direction for the Catboat Association from 1975 to 1986. Frank Cassidy (CIMBA) now chairs the committee which meets several times a year to set policy for the Association.

The Catboat Association Bulletin is prepared by an Editorial Board that is supported by a group of Contributing Editors. All correspondence, including inquiries about joining the Catboat Association and "items for sale", are handled by Corresponding Secretary T. Cort Schuyler (GINGER). Back issues of the bulletin along with other publication items are handled by David A. Pearson (ANDANTE CANTABILE). Technical Advisor Oscar C. Pease (VANITY) has extensive knowledge and experience with catboats. Treasurer Catherine Barrett (CAT) handles members' dues, keeps track of the money, and pays the bills. Membership Book and Mailing List Editor Lynda C. Cassidy (CIMBA) maintains the membership roster and prints this book.

### THE JOHN LEAVENS YOUNG AUTHORS AND ARTISTS AWARD

On November 1, 1987 The Catboat Association established The John M. Leavens Young Authors and Artists Award program using funds contributed in his memory. This program will serve as a memorial to John Leavens by encouraging high school and college age individuals to do what John did so well himself: to be creative and to express themselves for the benefit of others.

Cash awards will be made by the Catboat Association for quality original work and this work will be published in the bulletin. Eligible for awards are original stories, first hand or fiction, poetry, music, and hand prepared artwork or cartoons relating to catboats or the sea. Decisions on the awards are made by the Editorial Board of the Catboat Association Bulletin.

## THE JOHN KILLAM MURPHY AWARD

The late John Killam Murphy sailed cats from age one to age 88 and owned five of them in his lifetime. The John Killam Murphy Award was established in his honor by his friends on the occasion of his 90th birthday, March 21, 1965. The award consists of a half-hull model of Tabby, his fourth cat, designed by Fenwick C. Williams in 1948 and built by Seth Persson. The model was made by Don Rosenkrantz of Essex, Conn., one of the country's foremost model builders. The award bears the inscription:

*"John Killam Murphy Award"*

*"Established on his 90th birthday, March 21, 1965, and awarded for the advancement of the principles and the perpetuation of the traditions of sail as exemplified by The Catboat Association"*

The presumption is that this award will be an annual award but there are no restrictions on it being more than once a year or less than once a year. It is intended that the basis for the award should be broadly construed. It should be something that preserves the tradition of sail in catboats or advances the use of catboats in some new form or makes use of catboats in some novel or unusual way. By way of illustration, and not limitation, the award could be given for design of a new catboat or the rebuilding of an old classic catboat. It could also be awarded for an event such as an outstanding cruise in a catboat or the use of a catboat under hazardous conditions for rescue purposes. The award is intended to be to an individual or individuals, for their personal contribution. In any case, the decision of what shall be considered an outstanding contribution is made by a panel of three judges appointed each year by the Secretaries of The Catboat Association. The judges' decision shall be final. Members of the Association may nominate candidates for the award. The nomination must be in writing addressed to the judges and must specify the basis thereof. The selection is to be made from among those candidates nominated.

### Recipients:

## THE DOLPHIN AWARD

The Dolphin Award was presented for the first time at the 1975 Annual Meeting of the Association at the Mystic Seaport. Basis of the presentation is for exceptional service to the Catboat Association.

It is called the Dolphin Award after the last catboat owned by the late John Killam Murphy, and was established after the Steering Committee decided that there should be an equal and parallel award to the annual JKM Award.

Distinguished model builder, Don Rosencrantz of Essex Conn., is the maker of the new award, a half-hull model of Dolphin, 21'5" Wilton Crosby catboat built in 1917. Selection of the recipient of the Dolphin Award is made by members of the Awards Committee.

## THE BROAD AXE AWARD

The Broad Axe Award was established in the fall of 1976 to recognize "significant achievement in catboat construction." "Construction" is intended to be broadly construed to include restoration of an old cat and finishing a prefab catboat hull as well as building a new cat.

The award consists of a broad axe, suitably mounted, that belonged to catboat builders Charles C. Hanley (1886-1936) and Merton E. Long (1936-1976). It is the gift of John and Pinkie Leavens.

Presentation is made at the Annual Meeting by the Awards Committee.
