## THE CATBOAT ASSOCIATION STORY

The Catboat Association was founded August 18, 1962 with the objectives of promoting interest in catboats, exchanging information via Bulletin, encouraging cruising catboat races and conducting an annual meeting.

The Bulletins provide a means of exchanging information on The Catboat Association activities as well as on catboats. A schedule of the catboat races is given in the Spring Bulletin.

The annual meeting of The Catboat Association was held March 13, 1999 at the Newport Islander Doubletree Hotel on Goat Island, Newport, RI.

Membership is open to all owners of catboats: cruising, decked or open cockpit, and all enthusiasts. The initiation fee is \$45, which includes annual dues up to December 31 of the year in which initiation takes place. Annual dues are \$15 for the calendar year. The current Association membership is about 1550.

Initially, The Catboat Association, as the late John Killam Murphy once remarked, was a benevolent despotism. It had no charter, constitution, or bylaws.

Now, however, the CBA is incorporated as a nonprofit organization in the state of Massachusetts with bylaws to govern it and elections held annually.

At the beginning of The Catboat Association, formative leadership was provided by John M. Leavens and Paul Birdsall, Co-Secretaries. Mollie Birdsall served as Membership Secretary and Treasurer for the first 15 years, followed by Lynda Cassidy for the next 13 years. A Steering Committee was established in 1971 with Lee Brown as its Chairman, followed by Ben Brewster who provided leadership and direction for The Catboat Association from 1975 to 1986. Frank Cassidy served as chairman from 1986 until 1994 when Tom Maddigan assumed command and now chairs the Steering Committee which meets occasionally to set policy for the CBA.

An Editorial Board that is supported by a group of Contributing Editors prepares The Catboat Association Bulletin. Membership Secretary Max Fife handles new membership applications, changes of address, boat information and collects annual dues payments; Treasurer Mike Browne is in charge of accounts receivable and payable. Storekeeper Terri Browne is in charge of CBA merchandise, Neil and Carol Titcomb, our Publications Coordinators, handle the sale of books, Bulletin back issues and distribution of our new video. Technical Advisor Bill Crosby has extensive knowledge and experience with catboats.

## THE JOHN KILLAM MURPHY AWARD

The late John Killam Murphy sailed cats from age one to age 88 and owned five of them in his lifetime. The John Killam Murphy Award was established in his honor by his friends on the occasion of his 90th birthday, March 21, 1965. The award consists of a half-hull model of Tabby, his fourth cat, designed by Fenwick C. Williams in 1947 and built by Seth Persson. The model was made by Don Rosencrantz of Essex, Conn., one of the country's foremost model builders. The award bears the inscription:

### **"John Killam Murphy Award"**

"Established on his 90th birthday, March 21, 1965, and awarded for the advancement of the principles and the perpetuation of the traditions of sail as exemplified by The Catboat Association"

The presumption is that this award will be an annual award but there are no restrictions on it being awarded more than once a year or less than once a year. It is intended that the basis for the award should be broadly construed. It should be something that preserves the tradition of sail in catboats or advances the use of catboats in some new form or makes use of catboats in some novel or unusual way. By way of illustration, and not limitation, the award could be given for design of a new catboat or the rebuilding of an old classic catboat. It could also be awarded for an event such as an outstanding cruise in a catboat or the use of a catboat under hazardous conditions for rescue purposes. The award is intended to be to an individual or individuals, for their personal contribution. In any case, the decision of what shall be considered an outstanding contribution is made by a panel of three judges appointed each year by the Secretaries of The Catboat Association. The judges' decision shall be final. Members of the CBA may nominate candidates for the award. The nomination must be in writing addressed to the judges and must specify the basis thereof. The selection is to be made from among those candidates nominated.

## **THE DOLPHIN AWARD**

The Dolphin Award was presented for the first time at the 1975 Annual Meeting of the CBA at the Mystic Seaport. Basis of the presentation is for exceptional service to The Catboat Association.

It is called the Dolphin Award after the last catboat owned by the late John Killam Murphy, and was established after the Steering Committee decided that there should be an equal and parallel award to the annual JKM Award.

Distinguished model builder, Don Rosencrantz of Essex Conn., is the maker of the new award, a half-hull model of Dolphin, 21'5" Wilton Crosby catboat built in 1917.

Selection of the recipient of the Dolphin Award is made by members of the Awards Committee.

## THE BROAD AXE AWARD

The Broad Axe Award was established in the fall of 1976 to recognize "significant achievement in catboat construction. Construction is intended to be broadly construed to include restoration of an old cat and finishing a prefab catboat hull as well as building a new cat.

The award consists of a broad axe, suitably mounted, that belonged to catboat builders Charles C. Hanley from 1886 to 1936 and Merton E. Long from 1936 until 1976 when it was aquired by John Leavens. It is the gift of John and Pinkie Leavens.

Presentation is made at the Annual Meeting by the Awards Committee.

## **THE CATBOAT ASSOCIATION** **RACING RIGHT-OF-WAY GUIDELINES**

Below are basic suggestions offered to local rendezvous and race committees. Please recognize that the Catboat Association does not sponsor rendezvous or races. Local committees have the sole responsibility for these activities.

**1. STARTING AND CONTINUING RACE:** It is the sole responsibility of each boat to decide whether or not to start or continue the race. Any boat who starts the race and decides not to finish has the obligation to inform the Committee boat in person, by radio, or via another boat.

**2. AVOID COLLISION:** A right-of-way boat that fails to make a reasonable attempt to avoid a collision resulting in serious damage may be disqualified as well as the other boat

**3. POWER:** Anything other than the movement of the boat by natural wind or current should not be allowed.

**4. PORT-STARBOARD:** When boats are on opposite tacks (i.e. booms on different sides), the port tack boat (boom on starboard side) keeps clear.

**5. WINDWARD-LEEWARD:** When boats are on the same tack (i.e. booms on the same side), the windward boat keeps clear, or the boat astern keeps clear.

**6. CHANGING TACK:** When a boat is tacking or jibing. It must keep clear of other boats. After tacking or jibing, and you suddenly get the right-of-way, give the other boat room and time to keep clear.

**7. LUFFING BEFORE STARTING:** Before the start you may luff a boat to windward, but do it slowly.

**8. BARGING:** At the Start, DO NOT BARGE, i.e. don't try to squeeze between a boat close to leeward of you and a starting line mark (which most probably is a race committee boat or buoy).

**9. OVER EARLY:** If you're over the starting line before the gun goes off, keep clear of all boats that started properly as you return to restart

**10. BUOY ROOM:** When you are two boat lengths from a turning mark, an obstruction, or a finish line mark, give room to all boats that have an inside overlap on you.

**11. LUFFING AFTER STARTING:** When another boat tries to pass you to windward you may luff it until her skipper hails "centerboard abeam," which means that her skipper is even with, or ahead of your centerboard. Then you must stop luffing and bear off to your proper course.

**12. TOUCHING A MARK:** If you touch a mark, you may continue only after completely circling the mark. If you touch a starting mark, you must wait until after you have started to circle it. While circling a mark, keep clear of other boats.

**13. RULE INFRINGEMENT:** If you infringe a rule while racing (you are racing from the preparatory signal until you clear the finish line), you are obligated to sail two (2) complete 360 degree circles before resuming the race.
