THE CATBOAT ASSOCIATION STORY

The Catboat Association was founded August 18, 1962 with the objectives of promoting interest in catboats, exchanging information via Bulletin, encouraging cruising catboat races and conducting an annual meeting.

The Bulletins provides a means of exchanging information on The Catboat Association activities as well as on catboats. A schedule of the catboat races is given in the Spring Bulletin.

The current annual meeting of The Catboat Association was held on February 3, 2007, at the Hyatt Regency in Newport, RI.

Membership is open to all owners of catboats: cruising, decked or open cockpit, and all enthusiasts. The initiation fee is \$50, which includes annual dues up to December 31 of the year in which initiation takes place. Annual dues are \$20 for the calendar year. The current Association membership is about 1,600

Initially, The Catboat Association, as the late John Killam Murphy once remarked, was a benevolent despotism. It had no charter, constitution, or bylaws.

Now, however, the CBA is incorporated as a nonprofit organization in the state of Massachusetts with bylaws to govern it and elections held annually.

At the beginning of The Catboat Association, formative leadership was provided by John M. Leavens and Paul Birdsall, Co-Secretaries. Mollie Birdsall served as Membership Secretary and Treasurer for the first 15 years, followed by Lynda Cassidy for the next 13 years. A Steering Committee was established in 1971 with Lee Brown as its Chairman, followed by Ben Brewster who provided leadership and direction for The Catboat Association from 1975 to 1986. Frank Cassidy served as chairman from 1986 until 1994 when Tom Maddigan assumed command until 2000. Bob Luckraft served as Chairman until 2006, Eric Peterson now chairs the Steering Committee, which meets occasionally to set policy for the CBA. Treasurer Tim Lund is in charge of accounts receivable and payable. Linda Fife serves as Clerk of the organization.

An Editorial Board that is supported by a group of Contributing Editors prepares The Catboat Association Bulletin. Membership Secretary John Greene handles new membership applications, changes of address, boat information and collects annual dues payments; Neil and Carol Titcomb, our Publications Coordinators, handle the sale of books, Bulletin back issues and distribution of our video. Storekeeper Jim Burns is in charge of CBA merchandise.

The John M. Leavens Young Author and Artist Award

On Nov. 1, 1987, The Catboat Association established The John M. Leavens Young Authors and Artist Award program using funds contributed in his memory. This program will serve as a memorial to John Leavens by encouraging high school and college age individuals to do what John did so well himself: to be creative and to express themselves for the benefit of others.

The Catboat Association will make cash awards for quality original work, and this work will be published in the Bulletin. Eligible for awards are original stories, first hand or fiction, poetry, music, and hand prepared artwork or cartoons relating to catboats or the sea. The Editorial Board of The Catboat Association Bulletin makes decisions on the awards. Entries should be submitted to the Editorial Board.

Awards

Catboat Association Awards

THE JOHN KILLAM MURPHY AWARD

The late John Killam Murphy sailed cats from age one to age 88 and owned five of them in his lifetime. The John Killam Murphy Award was established in his honor by his friends on the occasion of his 90th birthday, March 21, 1965. The award consists of a half-hull model of Tabby, his fourth cat, designed by Fenwick C. Williams in 1947 and built by Seth Persson. The model was made by Don Rosencrantz of Essex, Conn., one of the country's foremost model builders. The award bears the inscription:

"John Killam Murphy Award"

"Established on his 90th birthday, March 21, 1965, and awarded for the advancement of the principles and the perpetuation of the traditions of sail as exemplified by The Catboat Association"

The presumption is that this award will be an annual award but there are no restrictions on it being awarded more than once a year or less than once a year. It is intended that the basis for the award should be broadly construed. It should be something that preserves the tradition of sail in catboats or advances the use of catboats in some new form or makes use of catboats in some novel or unusual way. By way of illustration, and not limitation, the award could be given for design of a new catboat or the rebuilding of an old classic catboat. It could also be awarded for an event such as an outstanding cruise in a catboat or the use of a catboat under hazardous conditions for rescue purposes. The award is intended to be to an individual or individuals, for their personal contribution. In any case, the decision of what shall be considered an outstanding contribution is made by a panel of three judges appointed each year by the Secretaries of The Catboat Association. The judges' decision shall be final. Members of the CBA may nominate candidates for the award. The nomination must be in writing addressed to the judges and must specify the basis thereof. The selection is to be made from among those candidates nominated.

Catboat Association Awards

THE DOLPHIN AWARD

The Dolphin Award was presented for the first time at the 1975 Annual Meeting of the CBA at the Mystic Seaport. Basis of the presentation is for exceptional service to The Catboat Association.

It is called the Dolphin Award after the last catboat owned by the late John Killam Murphy, and was established after the Steering Committee decided that there should be an equal and parallel award to the annual JKM Award.

Distinguished model builder, Don Rosencrantz of Essex Conn., is the maker of the new award, a half-hull model of Dolphin, 21'5" Wilton Crosby catboat built in 1917.

Selection of the recipient of the Dolphin Award is made by members of the Awards Committee.

Catboat Association Awards

THE BROAD AXE AWARD

The Broad Axe Award was established in the fall of 1976 to recognize "significant achievement in catboat construction. Construction is intended to be broadly construed to include restoration of an old cat and finishing a prefab catboat hull as well as building a new cat.

The award consists of a broad axe, suitably mounted, that belonged to catboat builders Charles C. Hanley from 1886 to 1936 and Merton E. Long from 1936 until 1976 when it was acquired by John Leavens. It is the gift of John and Pinkie Leavens.

Presentation is made at the Annual Meeting by the Awards Committee.

Catboat Association Awards

HENRY M. PLUMMER AWARD

From 1912 to 1913, Henry M. Plummer sailed his 24-ft. Cape Cod catboat *Mascot* with the aid of a gasoline powered launch from New Bedford, MA, to Mimi, FL and back. In 2002, in the spirit of this voyage the Catboat Association founded the Henry M. Plummer Award. The award is a half model diorama constructed by Henry M. Plummer himself and is a gift to the Catboat Association from the Plummer family.

The Henry M. Plummer Award is bestowed to the skipper and/or the crew who completes a voyage of note such as, but not limited to, that taken by Plummer so long ago, or to commemorate a significant act of seamanship. This is not an annual award, but one that will be awarded on occasion as is deemed appropriate by the awards committee.

THE CATBOAT ASSOCIATION RACE/RENDEZVOUS GUIDELINES

All over the globe the catboat race/rendezvous are fun-filled, friendly gatherings. There are those who come and race seriously while others do not. Whatever your level of expertise it is important to race safely under a set of accepted rules.

The Catboat Association recommends using **The Racing Rules of Sailing 2005-2008** at all Race/Rendezvous. Racing under the rules is a requirement for coverage under the Catboat Association's (United States events only) liability plan. The racing rules are written so that when you break a rule (as we all do from time to time) you can take a penalty or retire. Even if you break a rule you can proudly finish first or place by taking your proper penalty. When we understand and follow these rules there is seldom need for a protest committee. As competitors and race organizers I urge you to study, understand and follow the racing rules.

CBA Members can purchase copies of **The Racing Rules of Sailing 2005-2008** for \$14.95 – half the regular cover price!

Shipping and handling charges are \$1.50 for EACH copy shipped.

(Make checks payable to Catboat Association, Inc.)

There is a no-protest tradition at most of the race/rendezvous; yet there is a responsibility of the race committee to the competitors to make certain that starting sequences are properly done, results correctly recorded and safety maintained during the race.
