

# THE CATBOAT ASSOCIATION

2016

A detailed line drawing of a catboat's mast and sail. The mast is positioned on the right side of the frame, extending upwards. A large, triangular sail is attached to the mast and is shown in a partially unfurled state, with its leading edge at the top. The sail is divided into several horizontal panels by lines representing the battens. To the right of the main sail, a smaller, dark-colored flag is flying from a separate masthead. The drawing uses simple black lines on a light background to illustrate the structure of the boat's rigging.

## THE CATBOAT ASSOCIATION BURGEE

The Catboat Association burgee is a white gaff-rigged sail on a field of blue. It was designed by Lois Darling, one of its members.

### THE CATBOAT ASSOCIATION STORY

The Catboat Association was founded on August 18, 1962, with the objective of promoting interest in catboats, exchanging information through the publication of bulletins, encouraging cruising catboat races and conducting an annual meeting.

Three bulletins are published each year, to provide a means of exchanging information on the Catboat Association activities, as well as on catboats. A schedule of the catboat races and rendezvous is printed each year in the spring bulletin.

The current annual meeting of the Catboat Association was held March 12, 2016, at the Mystic Marriott in Groton, Connecticut.

Membership is open to all owners of catboats: cruising, decked or open cockpit, and all catboat enthusiasts. The initiation fee is \$50, which includes annual dues up to December 31 of the year in which initiation takes place. Annual dues are \$30 for the calendar year. The current Association membership is about 1,400.

Initially, the Catboat Association as the late John Killam Murphy once remarked, was a benevolent despotism. It had no charter, constitution or bylaws.

Now, however, the CBA is incorporated as a nonprofit organization in the state of Massachusetts with bylaws to govern it and elections held annually.

In the early days of the Catboat Association, John M. Leavens and Paul Birdsall, Co-Secretaries, provided formative leadership. Mollie Birdsall served as Membership Secretary and Treasurer for the first 15 years, followed by Lynda Cassidy for the next 13 years. A Steering Committee was established in 1971 with Lee Brown as its Chairman. He was followed by Ben Brewster, who provided leadership and direction for The Catboat Association from 1975 to 1986. Frank Cassidy served as chairman from 1986 until 1994, when Tom Maddigan assumed command until 2000. Bob Luckraft served as chairman until 2006, followed by Eric Peterson, who retired in 2009. Tim Lund now chairs the Steering Committee, which meets regularly to set policy for the CBA. Treasurer Tim Fallon is in charge of accounts receivable and payable. John Greene serves as Clerk of the organization.

An Editorial Board supported by a group of Contributing Editors prepares the Catboat Association bulletins. Membership Secretary Dave Calder handles new membership applications, changes of address, boat information and collects annual dues; Publications Coordinators Bill and Wendy Clarke handle the sale of books, bulletin back issues and distribution of our video. Storekeeper Mary Crain is in charge of CBA merchandise.

## THE JOHN KILLAM MURPHY AWARD

The late John Killam Murphy sailed cats from age one to age 88 and owned five of them in his lifetime. The John Killam Murphy Award was established in his honor by his friends on the occasion of his 90th birthday, March 21, 1965. The award consists of a half-hull model of Tabby, his fourth cat, designed by Fenwick C. Williams in 1947 and built by Seth Persson. The model was made by Don Rosencrantz of Essex, CT, one of the country's foremost model builders. The award bears the inscription:

### **“John Killam Murphy Award”**

“Established on his 90th birthday, March 21, 1965, and awarded for the advancement of the principles and the perpetuation of the traditions of sail as exemplified by The Catboat Association”

The presumption is that this award will be an annual award but there are no restrictions on it being awarded more than once a year or less than once a year. It is intended that the basis for the award should be broadly construed. It should be something that preserves the tradition of sail in catboats or advances the use of catboats in some new form or makes use of catboats in some novel or unusual way. By way of illustration, and not limitation, the award may be given for design of a new catboat or the rebuilding of an old classic catboat. It may also be awarded for an event such as an outstanding cruise in a catboat or the use of a catboat under hazardous conditions for rescue purposes. The award is intended to be to an individual or individuals, for their personal contribution. In any case, the decision of what shall be considered an outstanding contribution is made by a panel of three judges appointed each year by the President of the Catboat Association. The judges' decision shall be final. Members of the CBA may nominate candidates for the award. The nomination must be in writing addressed to the judges and must specify the basis thereof. The selection is to be made from among those candidates nominated.

## THE DOLPHIN AWARD

The Dolphin Award was presented for the first time at the 1975 Annual Meeting of the CBA at the Mystic Seaport. Basis of the presentation is for exceptional service to The Catboat Association.

It is called the Dolphin Award after the last catboat owned by the late John Killam Murphy, and was established after the Steering Committee decided that there should be an equal and parallel award to the annual JKM Award.

Distinguished model builder, Don Rosencrantz of Essex Conn., is the maker of the new award, a half-hull model of Dolphin, 21'-5" Wilton Crosby catboat built in 1917.

Selection of the recipient of the Dolphin Award is made by members of the Awards Committee from those candidates nominated.

The award consists of a broad axe, suitably mounted, that belonged to catboat builders Charles C. Hanley from 1886 to 1936 and Merton E. Long from 1936 until 1976, when it was acquired by John Leavens. It is the gift of John and Pinkie Leavens.

## HENRY M. PLUMMER AWARD

From 1912 to 1913, Henry M. Plummer sailed his 24-ft. Cape Cod catboat Mascot with the aid of a gasoline powered launch from New Bedford, MA to Miami, FL and back. In 2002, in the spirit of this voyage, the Catboat Association founded the Henry M. Plummer Award. The award is a half model diorama constructed by Henry M. Plummer himself and is a gift to the Catboat Association from the Plummer family.

The Henry M. Plummer Award is to be awarded to the skipper and/or crew who completes a voyage of note, such as, but not limited to, that taken by Plummer so long ago, or to commemorate a significant act of seamanship. This is not an annual award, but one that will be awarded on occasion as deemed appropriate by the awards committee.

# THE CATBOAT ASSOCIATION RACE/RENDEZVOUS GUIDELINES

All over the globe the catboat race/rendezvous are fun-filled, friendly gatherings. There are those who come and race seriously while others do not. Whatever your level of expertise it is important to race safely under a set of accepted rules.

The Catboat Association recommends using **The Racing Rules of Sailing 2013-2016** at all Race/Rendezvous. Racing under the rules is a requirement for coverage under the Catboat Association's (United States events only) liability plan. The racing rules are written so that when you break a rule (as we all do from time to time) you can take a penalty or retire. Even if you break a rule you can proudly finish first or place by taking your proper penalty. When we understand and follow these rules there is seldom need for a protest committee. As competitors and race organizers you are urged to study, understand and follow the racing rules.

CBA Members can purchase copies of **The Racing Rules of Sailing 2013-2016** for \$14.95 – half the regular cover price!

Please send your request to:

**Carol Titcomb**  
38 Brookwood Street  
Branford, CT 06405-2325

Shipping and handling charges are \$2.00 for EACH copy shipped. (Make checks payable to Catboat Association, Inc.)

There is a no-protest tradition at most of the race/rendezvous; yet there is a responsibility of the race committee to the competitors to make certain that starting sequences are properly done, results correctly recorded and safety maintained during the race.
